# Parent Statement of Cooperation

1. In sending your child to CBU Academy, it is important to realize we are seeking to provide an **excellent education** for them. We use testing and homework as academic tools. We strive to **partner** with parents in the education with support and encouragement toward achieving your students' academic potential.
2. The **attitude** which your students has toward the school is also a vital concern. Conflicts with the teacher or school should be taken directly to the teacher involved. You are expected to support proper communication channels protecting the student, teacher, and school.
3. **Respect** is a key action in the Christian life. We, therefore, expect complete respect and consideration from our students and parents and will make this reciprocal.
4. At CBU Academy we believe in **discipline** which seeks to help the student develop **responsibility**. We may want to engage students through several modalities designed to bring about repentance and reconcile behavior. These methods include but are not limited to: Biblical counseling, prayer, firm reprimands, extra assignments, detention, restriction from activities, suspension, and possible dismissal.
5. CBU Academy integrates the **Bible** into each subject area and has a Bible curriculum with doctrinal positions outlined in the Statement of Faith. These positions may or may not agree with my religious views; despite this, I agree not to allow these differences to become an issue of dissension.

The above statements as well as the other documents and handbooks emphasize areas which develop a good relationship between the school and home. Your signatures/initials below confirm that you have read and have an understanding and agreement with **Colorado Biblical University Academy** in these principles.

## Student Cooperation Agreement Grades 3-12

I have read the entire CBU Academy Student Handbook. I agree to support the school in its enforcement of the standards and expectations in the handbook and will encourage others to abide by them. I also understand that at CBU Academy the Bible is the primary textbook and foundation of each subject taught. Likewise, all Bible curriculum is consistent with the doctrinal positions outlined in the Colorado Biblical University Statement of Faith (found in the Student Handbook or on the website). These positions may or may not agree with my religious views; however, I agree to not allow these differences to become an issue of dissension or disobedience.

In consideration for accepting my child for enrollment in CBU Academy, I hereby agree that, should legal action be taken against CBU Academy or any employee or agent thereof, on my child's behalf, and the school or its agents not be found at fault, I agree to pay attorney fees, court fees, damages, or other costs that CBU Academy or its agents should incur to defend itself against such action.

Further, I understand this Statement of Parental Liability Agreement will be in effect for as long as my children (listed, or others to be enrolled) attend CBU Academy.
